The statement will indicate whether the landlord will (or will not) accept payment from the trustee's office for shelter, the amount of rent to be charged, the due date, what appliances are furnished, what utilities are provided, and the number of individuals residing in the household. The landlord must agree not to evict the applicant during the period covered by the township's purchase order.

The township will only pay the current month rent not to exceed the shelter allowance in Schedule "I". The lease must be in the name of an adult member of the applicant's household and a copy of the lease furnished to the trustee.

2.30.03 SHELTER RESIDENCY - It is necessary for the trustee to make some determination as to the applicant's living arrangements and whether they are physically living in the township, or whether they intend to make St. Joseph Township of Allen County their permanent place of residence. In cases of emergency, however, the trustee may provide temporary assistance to applicants who are temporarily in the township unless the applicant is specifically in the township for township assistance benefits. This should not be interpreted or construed to mean that individuals living in the adjoining townships may come to St. Joseph Township for emergency shelter assistance or for help to move into St. Joseph Township. The township in which they presently reside is still obligated to investigate the circumstances of the distressed person(s) and render whatever assistance is necessary. [IC 12-20-6-9(1)]

2.30.04 SHELTER LIMITATIONS - The trustee will not use township funds to pay the cost of an applicant's shelter with a relative who is the applicant's landlord if the applicant lives in: {1} the same household as the relative; or {2} housing separate from the relative and either housing is unencumbered by mortgage, or the housing has not been previously rented by the relative to a different tenant at reasonable market rates for at least six (6) months. The trustee will also not pay for shelter assistance for circumstances listed in 1.40.05 of these standards. [12-20-6-10-(C)]

2.30.05 SHELTER LIEN (RELATIVE) - If shelter payments are made to a relative of a township assistance applicant on behalf of the applicant or a member of the applicant's household, that are not in conflict with 2.30.04 of these Standards, the trustee may file a lien against the relative's real property for the amount of township shelter assistance granted. [IC12-20-6-10(d)]

2.30.06 SHELTER LIEN (APPLICANT) - Applicants will not be denied shelter merely because they are buying their home. However, the decision to provide a house payment will be based on whether it is the most economical and practical method of relieving the applicant. In addition, if the applicant has equity in his/her real estate that could provide a means of repayment, the trustee shall require the applicant to execute documents granting a lien against the real estate and have mortgage company fill out a "Mortgage Form". (See Schedule "F" and "J" )

2.30.07 SHELTER MOVING - Clients moving, within sixty (60) days immediately preceding their application for township assistance, from shelter provided by a relative, or any form, kind, or type of subsidized shelter, will be declared ineligible for township assistance due to wasting resources. The burden of establishing good, just, and reasonable cause for having moved shall be upon the applicant. (IC 12-7-2-200.5)

2.30.08 SHELTER EMERGENCY PROGRAMS - Emergency shelter assistance (shelter defined here as a facility that provides temporary emergency assistance) may be provided to an individual or household which has spent the prior night, or with the likelihood of spending the night in the immediate future, in an environment considered to be unsafe or unhealthy. However, the trustee is not obligated to enter into a contract with or to pay shelter costs to a shelter that is supported by federal or state funds. (IC 12-20-17-2)

2.30.09 SHELTER INSPECTION - The trustee may employ the services of a housing inspector to inspect all housing units. A township housing inspector shall use HUD standards, local building codes, and municipal ordinances in determining a housing structure's suitability for habitation. Substandard housing that does not meet minimum standards of health, safety, and construction is not eligible for the maximum level of shelter payments; or damage or security deposits paid from or encumbered by township funds. If the trustee determines that a housing unit is substantially below minimum standards, the trustee, when necessary, shall assist the applicant in obtaining appropriate alternate shelter. [IC 12-20-16-17)

2.30.10 SHELTER DEPOSITS - The trustee is not required to spend township assistance funds for a shelter damage or security deposit for an eligible township assistance applicant or household. However, the trustee may encumber money for a shelter damage or security deposit by making an agreement with a property owner who furnishes shelter for a township assistance recipient or household. If the trustee would assist with a security deposit, it will not exceed one hundred fifty dollars (\$150) (see Schedule "K"). The trustee will not obligate township assistance funds for the payment of a damage or security deposit a second time after the township has financially paid for damages caused by the applicant to the same or another landlord. The trustee will also not obligate or encumber township assistance funds for the payment of shelter damage or security deposits for applicants already occupying a shelter unit. The agreement will include, but not be limited to the following: [IC 12-20-16-17(f)]

- a. The agreement's duration, not to exceed one hundred eighty (180) days.
- b. A statement that the agreement may be renewed if both parties agree.
- c. The total value of the encumbered money, not to exceed the value of one (1) month's rental payment. The total amount the township will encumber will be one hundred fifty dollars (\$150).
- d. A statement signed by both the trustee and the property owner attesting to the condition of the property at the time the agreement is made.
- e. A statement that encumbered money may be used to pay the cost of: {a} verified damages, normal wear excluded, caused by the tenant township assistance recipient during the duration of the agreement (the township shall not be responsible for damages caused by pets, or damages caused by individuals not listed as members of the applicant's household as contained on the Affidavit/Application for Township Assistance PR 1); and {b} any unpaid rental payments for which the tenant township assistance recipient is obligated.
- f. A statement that the total amount to be paid from the encumbered money may not exceed one (1) months rental payment for the unit in question.

2.40.00 UTILITY SERVICE AND / OR HEATING FUELS - The trustee may, in cases of necessity, authorize the payment of water, gas, other fuels used for heating or cooking, and electric services; including the payment of delinquent bills for such services, when necessary to prevent disconnection or to restore terminated services. The township will not be obligated to pay more than \$500.00 per utility. There are however, some limitations: (IC 12-20-16-3)

- a. The township will not pay utility deposits.

- b. The utility service must be in the name of an adult member of the requesting household, or the applicant provides verifiable evidence which justifies having the utility service in the name of another person.
- c. The township will not pay for illegally secured utility service, such as placing the service in the name of a child or tampering with a utility meter.
- d. The township will not consider the payment of utility bills if such aid requested would pay for Services provided to or for the benefit of the individual or household during a period that the individual or household had previously applied for and been denied township assistance. (IC 12-20-6-6.6)
- e. The township will not consider the payment of "master metered" utility service when more than one household is served by the same meter.
- f. The township will not consider the payment of estimated utility bills.
- g. The township will not pay or consider the payment of utility bills, during the period the state's energy assistance program is in effect, until after the state's energy assistance is credited to the applicant's account.
- h. The township has no obligation to pay a delinquent bill for services if the delinquency has lasted more than twenty-four (24) months. (12-20-16-3)

2.40.01 ENERGY PROGRAMS - During that part of the year when applications for assistance are accepted by the state's Energy Assistance Program, the township will not provide assistance or make any part of a payment for heating fuel or electric services for more than thirty (30) days unless the individual files an application for assistance, and shows evidence of this application, for heating fuel or electric services . The trustee will either refer the applicant to the state's Energy Assistance Program, or the trustee may certify the township assistance applicant as eligible using the criteria established for this purpose by the state. The certification shall be on an application form prescribed by the Indiana State Board of Accounts. The trustee will neither certify nor process Energy Assistance applications for non trustee assistance applicants. [IC 12-20-16-3(d)]

2.40.02 ENERGY PROGRAMS / APPLICANT'S RESPONSIBILITY - During the time the applicant or member of the applicant's household has been approved for the Energy Assistance Program, the applicant and/or member of the applicant's household must continue to make payments on their utility bills as reasonably determined by the trustee. Once the Energy Program has ended, the trustee will not authorize utility assistance if payments have not been made by the applicant or member of the applicant's household unless they have evidence of other emergency payments that prohibited them from making utility payments.

2.50.00 TELEPHONE SERVICES - The trustee does not recognize the telephone as an essential utility service, and will not authorize payment of telephone service unless such service has been ordered by a licensed physician and is deemed medically necessary to prevent a life threatening situation. When deemed necessary, the trustee will authorize payment for basic service not to exceed \$30.00. Long distance calls, pagers, voice mail, call waiting, cell phones or other services or accessories will not be recognized by the trustee as a necessity. Unless phone service is ordered

by a licensed physician, all phone payments over \$30.00 will be deducted from eligible assistance regardless of who has made this payment.

2.60.00 BURIAL AND FUNERALS OR CREMATIONS - The trustee shall provide a person to superintend and authorize either the funeral and burial or cremation of the deceased individual who resides in St. Joseph Township. If the trustee determines that the deceased individual is a resident of another township in Indiana, the trustee shall notify the trustee of that township. Payment of benefits from any other source will be deducted from the allowable maximum. (IC 12-20-16-12)

2.60.01 BURIAL "SUPERINTEND" DEFINED - The legal definition of "superintend" means to take charge, to supervise, to manage, or to direct. Therefore, the person the trustee provides to superintend shall be responsible for "taking charge and supervising", among other things, both the selection of the funeral home and if necessary, the cemetery for the deceased individual.

2.60.02 BURIAL AND FUNERAL OR CREMATION REQUEST - A surviving family member of the deceased individual or the funeral director shall apply for burial assistance. The formal request will involve the completion of the Affidavit and Application for Township Assistance PR1, which will include a special "Burial Supplement" form (see Schedule "L").

2.60.03 BURIAL EXPENSES ALLOWED - The trustee will utilize Schedule "L" when providing burial and funeral or cremation assistance. The township will not pay for the cost of transporting the remains of any deceased indigent person back to St. Joseph Township or to any place outside of St. Joseph Township, nor will the township pay for the transportation to attend funerals. The township will not supplement the cost of services nor supplement other means of payment for services such as insurance policies. [IC 12-20-16-12(c)]

2.60.04 REIMBURSEMENT FOR BURIAL COSTS - A trustee who provides funeral and burial or cremation benefits to a deceased individual is entitled to a first priority claim, to the extent of the cost of the funeral and burial or cremation benefits paid by the township, against any money or other personal property held by the coroner under IC 36-2-14-11. [IC 12-20-16-12(f)]

2.60.05 CREMATION - The trustee will not cremate a deceased individual if the deceased individual, or a surviving family member of the deceased individual, has objected in writing to cremation. [IC 12-20-16-12(g)]

2.70.00 MEDICAL SERVICES - The township shall, in cases of necessity, promptly provide medical assistance for qualifying township assistance applicants who are NOT provided for in public institutions, or presently receiving or qualifying for Medicaid. Medicines and/ or medical supplies which are prescribed by a physician will be properly furnished, unless the medical services being sought are available through another governmental, insurance, or private program, such as Matthew 25 Health Clinic. All applicants will be required to make an application with Medicaid, HCI, or any other program. The township shall not be responsible for the payment of "Co-payments". (IC 12-20-16-2)

2.70.01 MEDICAL EXEMPTIONS - The trustee will NOT provide to an individual, medical assistance under the township assistance program, if the individual could qualify for medical assistance for the same service under IC 12-16, Medicaid, or other governmental medical programs. [IC 12-20-16-2(b)]

2.70.02 MEDICAL SERVICES PROVIDED - The township shall pay only for the following medical services for the eligible and qualifying township assistance applicant: [IC 12-20-16-2(c)]

a. Prescription drugs or over the counter drugs as prescribed by a physician, provided the applicant is eligible for township assistance, has obtained prior authorization from the trustee, and can not obtain the prescription or over the counter drug through Matthew 25 Health Clinic, or any other program providing a similar service.

b. Office calls to a physician, provided the individual could not be treated at Matthew 25 Health Clinic, or any other program providing a similar service, and having obtained prior authorization from the trustee. The cost of visits to a medical specialist cannot be paid by the township, unless the applicant was first referred to a specialist by their attending physician.

c. Dental care needed to relieve pain or infection or to repair cavities, provided the individual could not be treated at Matthew 25 Health Clinic, or any other program providing a similar service. The township may pay the cost of denture replacements and / or repair not covered by other tax supported programs. However, the township will NOT pay the initial cost of dentures.

d. Emergency room treatment that is of an emergency nature, provided a proper request for the service is made to the township office, by the applicant or a member of the applicant's household, within fifteen (15) working days of the time the services are rendered. However, a medical emergency does not exist in situations where the illness/injury could have been treated during a routine office call by a family doctor, and the applicant could have made contact with the township office before such visit.

e. Pre-operation testing prescribed by a licensed physician.

f. X-rays and laboratory testing as prescribed by a licensed physician.

g. Physical therapy prescribed by a licensed physician.

h. Eyeglasses, provided the applicant has exhausted all other programs providing a similar service.

i. Repair or replacement, NOT initial cost, of a prosthesis not provided for by other tax supported state or federal programs.

j. Insulin and items needed to administer insulin. A Township is not responsible to pay if the township trustee has evidence that the individual has the financial ability to pay for the biologicals. When a township trustee is presented with a legal claim for insulin being furnished to an individual, the township trustee may require the individual to complete and file a standard application for township assistance in order to investigate the financial condition of the individual claiming to be indigent. For purposes of this section, the township shall consider an adult individual needing insulin as an individual and not as a member of a household requesting township assistance.  
(16-41-19-7)

2.70.03 MEDICAL PAYMENT SCHEDULE - In accordance with the provisions of IC 12-20-16, the township shall utilize the Indiana Medicaid Payment Schedule for determining the amount to be paid by the township for medical services rendered. Failure of an applicant or member of an applicant's household to sign the necessary authorizations for reimbursement to the township shall result in a denial of township assistance. [IC 12-20-27-1.5(b)]

3.00.01 INTERIM PERIOD DEFINED - "Interim period" means the period beginning when a township trustee obtains from a township assistance applicant or member of the applicant's household an agreement or authorization and ending when the applicant or household member receives the judgment, compensation, or monetary benefit or leaves the household. [IC 12-20-27-1.5(a)]

Individuals must sign a Social Security Administration's Reimbursement Authorization form (see Schedule "A") for the repayment of any township assistance benefits provided by the township during the interim period. Individuals awaiting a determination from the Social Security Administration for SSI benefits will not be required to perform workfare as long as their initial SSI application remains active. Once the initial application for SSI benefits have been denied by the Social Security Administration, a determination will be made for the individual to perform workfare. Failure to sign the Reimbursement Form will result in denial of township assistance benefits. [IC 12-20-27-1.5(b)]

3.20.00 CONCLUSION - All decisions regarding eligibility will be based on these standards. The trustee shall always consider whether the applicant's or household's needs can be relieved by means other than an expenditure of township money (IC 12-20-17-1). The township shall not be obligated to pay for services or the cost of goods incurred by an applicant or a member of an applicant's household during the period the applicant or a member of the applicant's household had sufficient income or resources to have paid for either the goods or services. These standards will be adopted by the St. Joseph Township Board and posted at the St. Joseph Township Trustee's office. Additional copies will be furnished to the County Commissioners, and recorded in the Office of the County Recorder. Any member of the public will be permitted to inspect and copy these standards at their own expense. The standards will be reviewed and updated annually to reflect changes in the cost of basic necessities in the township and changes in law. [IC 12-20-5.5(b)]
